Dear Applicant:

Thank you for your interest in The League of Allied Arts, Inc. scholarship program.

The League is a non-profit, 501c3 membership organization of professional African American women whose purpose is to study, sponsor and promote all forms of art, and to raise funds for the League Scholarship Fund. We were established in Los Angeles in 1939, at the request of Langston Hughes, by two prominent African American women, Juanita Miller and Dorothy Vena Johnson. For over seventy years, the League has supported the achievements of artists in Southern California, particularly within the African American community.

We are offering scholarship grants to students who have demonstrated talent in the following creative arts categories:

Dance	Film/Video	Performing Arts
Music	Fashion Design	Creative Writing

All applications must be returned to Mrs. Hassena Khan Leonard, chairman of the Scholarship Committee by **SEPTEMBER 30, 2020**. Selected candidates and the parent/guardian will be invited to an interview at a later date. Awardees will be informed when they have been chosen. You must be available to accept your award and showcase your talent in a culminating event.

If you have any questions, please do not hesitate to contact Hassena Khan Leonard - 323-528-5665 or you may e-mail your materials or questions to me at senakhan104@gmail.com.

Sincerely,

Dr. Hassena Khan Leonard, 2nd Vice-President
Scholarship Committee Chairman
Velonne Atkins, President
